STATEMENT OF INTENT

We are committed to encouraging positive working relationships, by providing a caring, friendly and safe environment for all our pupils to they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at Heathcote Primary. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively. We are a TELLING school. This means that anyone who knows that bullying is happening is expected to tell someone. All children are to be treated with dignity and respect whilst at school.

ANTI- BULLYING

How can I stop bullying (*Anti-bullying code*)

Don't: *Take part in the bullying*

Don't: *Get involved, tell an adult*

Don't: *Ignore bullying*

Do: *Listen if somebody tells you they are being bullied.*

Do: *Encourage them to tell an adult what has been happening or offer to go with them to talk to a teacher or an adult or offer to tell an adult for them.*

Bullying is a continuous deliberate harassment or aggression which causes distress to an individual or a group. This can be either physical or psychological and can be inflicted by either one person or a group of people.

Bullying may include a **persistent repetition** of one or more of the following:

- *Being hit, kicked, pinched, spat at or threatened*
- *Being called names continuously*
- *Being made a fool of*
- *Being teased continuously*
- *Being the victim of rumours or malicious gossips*
- *Having property destroyed or spoilt*
- *Having property taken without consent*
- *Being socially excluded*
- *Receiving racial taunts, graffiti and gestures*
- *Receiving unwanted physical contact or abusive comments*

Objectives

- *To provide a welcoming, safe, secure environment for pupils in and around school.*
- *To bring pupils to an understanding of the difference between acceptable and unacceptable behaviour.*
- *To promote responsible behaviour and self-discipline throughout the school*
- *To encourage pupils to respect themselves, fellow members of the community and property.*
- *To ensure our pupils believe in democracy and respect all voices in society, no matter what their faith or belief.*
- *To educate against prejudices.*
- *To provide sensitive and immediate support for pupils who are distressed by the actions of another pupil or pupils.*
- *To provide appropriate support for the bully in adapting their behaviour.*

Procedure

When a member of staff becomes concerned or is made aware that bullying may be taking place, it is shared with the safeguarding team and recorded on CPOMs. Relevant members of staff are made aware. It is then followed up in the following way:

- *All pupils involved are monitored by relevant staff and the class teacher gathers monitoring evidence.*
- *The evidence is recorded.*
- *If concerns are not substantiated no further action is taken apart from our usual regular teachings of friendship and relationships*
- *However, substantiated incidents will be discussed with a senior member of staff and the parents of the pupils involved.*
- *Class teacher, senior member of staff and parents work together to implement strategies to resolve the situation (see below)*
- *Strategies are monitored by the class teacher and senior member of staff.*
- *Strategies and minutes of meetings are recorded on CPOMs.*

Strategies to resolve issues of bullying

Strategies employed will be appropriate to the incident being monitored and will include one or more of the following but are not exhaustive:

Both the victim and the perpetrator will be given support in order to resolve the situation and bring about significant change.

- *Obtaining an apology from the perpetrator to the victim.*

- *Providing opportunities for mediation meetings between the perpetrator and the victim.*
- *Imposing sanctions against the perpetrator (see Building relationships policy (behaviour policy))*
- *Sometimes the victim (with support from a teacher) may decide the sanction*
- *Insisting on the return of the “borrowed” or stolen items*
- *Holding lessons, class or group discussions, assemblies about bullying.*
- *Implementing a series of circle times.*
- *Providing a safe place / environment during school hours for the victim as appropriate.*
- *Encouraging the perpetrator to change their behaviour with guidance and support.*
- *Providing resources to the family to work together on changing the behaviour e.g. Anti-bullying booklet*
- *In cases of extreme bullying, advice will be sought from support services and suspension may be considered.*

Staffing and Supervision

We have high expectations of behaviour at Heathcote Primary and staff routinely take an active interest in the behaviour of all pupils both in the classrooms and around the school. We foster a culture of shared responsibility, everyone working together for the wellbeing of our pupils. Together we strive for best practice and believe that through our high level of commitment the children are well supervised at all times. We supervise movement around the school and have appropriate adult supervision in the playground areas. A member of the Senior Leadership Team will regularly join pupils on the playground to monitor behaviour and support vulnerable pupils.

Preventative Measures

- *In order to prevent bullying the following measures are taken:*
- *All staff are vigilant and observe behaviour and social relationships between pupils in class, at break times and when moving around the school.*
- *All staff recognise that they have a collective responsibility to all the children in the school and act on any changes to behaviour*
- *Staff will immediately share concerns with the safeguarding team if they suspect an incident of bullying and begin the process of monitoring those concerned.*
- *All staff act as role models and establish high standards of behaviour between themselves, showing courtesy to each other, visitors and the children.*
- *Lessons are structured so that children are grouped in a variety of ways*
- *Children are encouraged to tell a member of staff if they have a concern.*
- *Posters to encourage respectful behaviour are displayed around the school.*
- *Anti-bullying (worry) boxes are displayed in classrooms*
- *Workshops are delivered annually to teach friendship and relationships*
- *Participation in Anti-Bullying week (usually November) through Anti-Bullying Alliance*
