1. Policy Statement:

This policy sets out the high expectations of behaviour at Heathcote Primary School. We feel it is vital that the school adopts and maintains a consistent approach to behaviour at all times and by all members of the school community. This policy should be read alongside our Child Protection and Safeguarding Policy and any other relevant policies including SEND policy, Child-on Child abuse policy, Positive Handling policy, anti-bullying policy which includes Anti Cyber bullying, online safety policy and our exclusions policy.

2. Introduction:

It is a primary aim of our school that every member of the school community feels valued, respected and that each person is treated fairly. We are a caring community, whose values are built on mutual trust and respect for all. The school's Building Positive Relationship policy is therefore designed to support the way in which all members of the school can live and work together in a supportive way. We achieve this through the following ways:

- Our one school rule of RESPECT.
- A carefully planned curriculum.
- Effective classroom management.

- Good behaviour is rewarded through a range of strategies from positive praise to Excellence Awards.
- Adult role-modelling.
- A 30-second quick, consistent and non-judgemental script used to reinforce expectations and encourage positive choices (Appendix 2)
- Personalised programs and support from outside agencies for children with additional needs.

3. Aims:

- To promote an environment in which everyone feels valued, respected, happy, safe and secure.
- To foster the belief that there are no 'bad students' just 'bad choices'.
- To promote good relationships, so that everyone can work together in an effective and considerate way and have awareness of how our behaviour impacts on ourselves and others.
- To encourage the partnership between home and school.
- To foster the emotional well-being of each child, including an ability to appropriately express feelings and emotions.
- To help children grow in a safe and secure environment and to become positive, responsible and increasingly independent members of the community.

4. Roles and Responsibilities:

4.1 Staff Responsibilities:

It is the responsibility of all staff to ensure that they are modelling good behaviour, building positive relationships and dealing with incidents around the school.

- To have high expectations of the children with regard to behaviour and they strive to ensure that all children work to the best of their ability.
- To ensure they follow the behaviour policy and use the language, script and steps agreed.
- To treat each child fairly and enforce the classroom code consistently.
- To treat all children in the school with respect and understanding.
- To cater for children's individual learning styles.
- To look for positive behaviour – make a point of "catching" them being good.
- To use positive body language and praise good learning and behaviour.
- To give warnings in a clear and calm way.

4.2 Children's Responsibilities:

All children are expected to:

- Follow the one school rule of RESPECT.
- Work to the best of their abilities and allow others to do the same.
- Take care of property and environment in and out of school.

- Co-operate with other children and adults.

The school council and house captains will play an important role in communicating and reviewing aspects of the Building Positive Relationships policy. Children expect staff to:

- Give them a 'fresh start' every day.
- Help them learn and feel confident
- Be just and fair
- Have a sense of humour.

4.3 Parents' and Carers' Responsibilities:

The school collaborates actively with parents and carers, so that children receive consistent messages about how to behave at home and at school.

We explain the school expectations in the school prospectus and at 'Meet the Teacher' event. We expect parents and carers to read them to their children and support their child's learning, and to cooperate with the school. We are very conscious of the importance of good communication between home and school. Thus, the school aims to work collaboratively with parents/carers, so children receive consistent messages about how to behave at home and at school. It is important for all adults on school site and on trips, including parents/carers, to model positive behaviour at all times and in particular in their interactions with each other.

If a member of school staff has concerns about a child's behaviour or there has been reasonable consequences used as a result of unacceptable behaviour, then the parents/carers will be contacted and should support the actions of the school. If parents/carers have any concerns about the way their child has been treated, they should initially contact the class teacher or Head Teacher.

We expect parents to behave in a reasonable and civilised manner towards all school staff, as professionals, so that issues can be dealt in an atmosphere of trust and mutual respect. Incidents of verbal or physical aggression to a member of staff by parents/carers of children in the school will be reported immediately to the Head Teacher and/or Chair of Governors, who will take appropriate action.

5. Classroom management:

Positive relationships, good classroom organisation and effective teaching methods are the key to good behaviour. The provision of a high-quality curriculum through interesting and challenging activities also strongly influences good behaviour. We use the Behaviour Steps system in order to promote good behaviour choices (see appendix 4). Our pupils and staff are able to confidently explain the steps and use them as a part of the daily routines.

A welcoming and secure classroom environment gives clear messages to the children about the extent to which they and their efforts are valued.

The following practical strategies are used to support and reinforce outstanding behaviour:

- Sharing the 'Building Positive Relationships Policy' with the children.
- From the start of the year, developing clear and positive classroom expectations with the children and applying these consistently across the class whilst taking into account individual needs.
- Helping learners take control over their feelings and behaviour and be responsible for the consequences of them (each class to have a Colour Monster display to promote and teach this effectively – Appendix 3)
- Referring regularly to these rules in order to reinforce them and to correct inappropriate behaviour.
- Promoting an enriched curriculum with opportunities for all abilities and ensuring equal opportunities for all.
- Looking for things to praise. So often a child with overt behavioural problems only gains attention by being disruptive. Making a positive effort to find something to reinforce, will develop the child's repertoire of acceptable behaviour.
- Trying to reinforce appropriate behaviours in another child rather than drawing attention to negative behaviours *e.g. rather than saying "Don't talk in the line" try saying "look how well and are lining up quietly"*.
- If a child is disruptive in class, using *"stop it please"* and reminding them of our one word school rule of RESPECT.

Principles to apply when managing children's behaviour:

- Keep calm and positive.
- Keep your voice low as much as possible, we are a **no shouting school**.
- Serious or unresolved concerns should be discussed with Mrs Rowett or Mrs Abernethy.
- Keep dated notes where there are on-going concerns.
- Informally involve parents at an early stage to make them aware of concerns.
- Do not label the child with the behaviour.
- Be positive in the way you deal with the child.
- No adult in school should ignore unacceptable behaviour and we should be giving as much praise as possible for any good behaviour seen.
- Be consistent whilst taking into account each child's individual needs.

We reinforce good behaviour choices through positive praise and many rewards such as:

- Excellence Awards (fortnight celebration assemblies, alternating Key Stage)
- Every class having a recognition display
- 'Dojo points'.
- House Points

5.1 Behaviour Step system (appendix 4):

How the Stepped System works:

1. All children start the day on no colour.
2. If their behaviour falls below expectations, they will receive a verbal warning (Stop it please!) and be put onto Green. Depending on the behaviour exhibited, a pupil may not be put on Green immediately. If they turn their behaviour around, they can come off Green and back to no colour.
3. If their behaviour continues to fall below expectations, the pupil will move up to Blue and be given a written warning (on the teacher's desk and not for the rest of the class to see). At this point, the pupil can move back to Green if their behaviour improves, and potentially back to no colour if they continue to make good choices.
4. If their behaviour continues to fall below expectations, they will move to Yellow. Once on Yellow, the pupil will miss 15 minutes of their break or lunch. During this 15 minutes, the teacher will conduct a restorative conversation with the pupil and discuss their behaviour and how they can improve it
5. If a pupil's behaviour continues to fall below expectations, they will move onto Red. At this point, the pupil will be removed from the classroom and spend part of the day in another classroom or other appropriate area in school, away from their class. In this space, they will be expected to complete work and be encouraged to reset themselves to go back into class at some point during that day (if the incident has taken place in the afternoon, it is likely that they will not be back in class until the next morning). Once on Red, pupils will also miss 30 minutes break and lunch depending on the incident. Parents will be contacted regarding their behaviour. The incident must be recording to CPOMs.

For most behaviours, the stepped approach will be used as explained above, however, there are certain behaviours which will lead to a pupil being put on a higher colour than Green immediately.

Some pupils with additional needs have Personal Intervention Plans (PIPs) in order to ensure all staff use the personalised techniques in order to deescalate behaviour choices (see appendix 6).

6. Class Meetings

All classes have weekly Class Meetings. During this time, the teacher facilitates a reflective discussion about what is working well in the class and what could be done to improve. These discussions follow the PEACE process. The aim of the meeting is to progressively improve the experiences of children through a collaborative forum. Meetings are focused on developing positive relationships, accountability and team responsibility.

P.E.A.C.E Process

- The P.E.A.C.E Process is the Conscious Discipline tool used to help solve chronic problems in Your Family Meetings:
- Problem: “I’ve noticed _____. It’s a problem for me because_____.”
- Explore: “Has anyone else noticed this? Is it a problem for you?”
- Alternatives: “So the problem is _____.” Reframe the problem to focus on the action you want to see and relate it to safety if possible. (Instead of saying, “The problem is grabbing and hitting,” you would restate the problem as, “So the problem is that we’re having a hard time remembering to ask for a turn. What could we do differently?”)
- Consensus: “As family, we will: _____.”
- Evaluate: How will we know the problem is solved?

7. Inclusion:

We recognise that for a small number of children a more personalised approach may be necessary in order to support them in developing the ability to regulate their own behaviour. There may be an individual behaviour plan agreed between the pupil, staff and parents which may involve some time spent in a nurture provision where the child can complete their class work in a quieter provision.

There may be times when a personalised curriculum is an appropriate way forward, which will be delivered by the child’s teacher and teaching assistants. The support of outside agencies will also be sought where appropriate, in particular the Behaviour Support Service or Educational Psychologist. Further information can be found in our SEND policy.

8. Suspensions and permanent exclusions:

We do not wish to suspend any child from school. However extreme behaviour or persistent disruptive and challenging behaviour may lead to a pupil exclusion.

Examples of extreme inappropriate behaviour include purposely injuring a member of staff or purposely damaging school property. Further information can be found in our exclusions policy.

9. Child on Child Abuse and Cyber Bullying

(To be read in line with our Child on Child Abuse and Anti-Bullying policies)

The school actively seeks to raise awareness of and prevent all forms of child-on-child abuse by educating all governors, staff, pupils and parents about this issue, including how to prevent, identify and respond to it. It is important that all concerns and allegations of child-on-child abuse are handled sensitively, appropriately and promptly following the school’s policy. We recognise that child-on-child abuse can take an online form and advise pupils and parents about how to stay safe online via our online safety policy. Any concerns should be taken to a member of DSL team who will follow safeguarding procedures ensuring the safety of the child/ all children affected.

10. Recording, monitoring and evaluating behaviour

Significant misbehaviour in school will be recorded and reported to Mrs Rowett or Mrs Abernethy in the first instance. Pupils may also be required to complete a 'Child's Statement' to build part of the picture of evidence (Appendix 1). Members of staff should record minor classroom incidents on CPOMS. Progress towards individual targets will be recorded on individual behaviour/education plans. Mrs Rowett and Mrs Abernethy will monitor behaviour and evaluate the impact of this policy through the records listed above, through formal observations, comments from formal lesson observations and discussion with pupils, staff and parents.

11. Searching and Confiscation

The school adheres to the DFE Guidance for [Searching, Screening and Confiscation](#).

Examples of inappropriate behaviour

The following behaviours are likely to result in a sanction. This might range from a warning for low level misbehaviour to a suspension or even a permanent exclusion for higher level or repeated low level misbehaviour following an investigation.

- Racist language/actions.
- Homophobic language/actions
- Bullying.
- Violence towards children or adults
- Sexual harassment
- Refusal to enter or leave classroom and causing high levels of disruption.
- Swearing directly at an adult.
- Violence towards children or adults.
- Throwing, kicking over or tipping furniture.
- Intentional damage to school property.
- Threats made to adults or children.
- Hurting someone through rough or inappropriate behaviour
- Swearing directly at a child.
- Major Online Safety issue in class.
- Running around school during lesson time.
- Throwing equipment aggressively.
- Dangerous behaviour around the school site.
- Swearing (in context)
- Refusal to come into the building at the end of play.
- Inappropriate sexual behaviour.
- For ignoring a green warning and carrying on with behaviour that they have been spoken to about.
- Disruption to a lesson by shouting out, talking or silliness.
- Low amount of work completed due to lack of focus on task.
- Not staying on task.
- Distracting others.
- General low level misbehaviour.
- Refusal to complete work or a task given.
- Throwing equipment, book or work down, but not aggressively towards others.
- Unkind behaviour towards others.
- Minor online safety issue in class.
- Rudeness to adults.
- Refusal to leave the classroom but sat causing no, or negligible, disruption.
- Refusal to enter classroom but causing no, or negligible, disruption.
- Rough play.
